Damariscotta Pumpkinfest & Regatta Seeks Volunteers

Pumpkinfest & Regatta is a long way away, but planning has already started. There is currently a need for a Chairman of the Pumpkin Dessert Making and Pie Eating Contests—two extremely popular events—for this year’s festival.

The Chairman for these two functions is responsible for finding volunteer judges to sample all the delicious desserts; selecting prizes for all winners; promoting sponsors who support the events; and coordinating these events with the chairmen of other Pumpkinfest activities. For all activities associated with these events, the chairman will have the support and assistance of a great group of dedicated volunteers, as well as several years of historical information about these two contests to get you started.

If you love to cook or just want to lend a hand and have fun while supporting two great events at Pumpkinfest, please contact info@damariscottapumpkinfest.com to volunteer your time and talents. Visit www.damariscottapumpkinfest.com “2012 events” page to see the 2012 contests to get an idea of what is involved. If you want to learn more before you decide, come to the first meeting of the Pumpkinfest volunteers on March 14, 4:30p.m. at the Skidompha Library.

If you don’t have the time to act as a chairman of the dessert baking/pie eating contests but are interested in joining the Pumpkinfest “Squashbucklers”—

volunteers who undertake a variety of activities through spring and into autumn—there are a number of opportunities to help, for an hour, a day, a week, or more. Contact info@damariscottapumpkinfest.com and tell us what you'd like to do.

Pumpkinfest & Regatta is a 501(C)3 organization whose mission is to promote education to citizens of all ages regarding the specific agricultural science required to grow giant pumpkins, and to provide local non-profit organizations with opportunities for dissemination of information on their activities and fundraising. For additional information, please visit www.damariscottapumpkinfest.org.
