

Pumpkin Delicacies Available Downtown and At Remote Locations By Sarah Maurer And Jean Kerrigan

During the 2010 Pumpkinfest & Regatta, the streets of Damariscotta will be filled with the smells of a variety of delicious offerings from the downtown restaurants, as well as vendors and service clubs. Delectable delights will be on sale at locations both in town and at the remote locations. They will include pumpkin treats such as whoopee pies, bisque and muffins.

Traditional fare such as burgers, hot dogs, sandwiches and Italian sausage will be offered. Local delights including lobster rolls and seafood chowder, and seasonal favorites such as caramel apples and soft pretzels will also be available. With such a wide array of options, there promises to be something for everyone!

This year, food will be provided during all events on Saturday, Sunday and Monday, October 9 through October 11. Outside tables and chairs will be available for visitors to enjoy their treats.
