### SPREADING THE NON-PROFIT NEWS!

*Calling all Non-Profits! Are you interested in sharing your mission with our community during Damariscotta Pumpkinfest & Regatta? If so, please contact Pam Gormley ([pgormley@msln.net](mailto:pgormley@msln.net)) and sign up to be part of the InfoZone.*

*This year's InfoZone will be located on Main Street at both Colby & Gale's Irving Station and the new OceansWide lot. The InfoZone will be held on Saturday, October 12 from 9:00 a.m. to 2:00 p.m.. It's a great opportunity to share information about your group's activities, and to raise needed funds to further the great work non-profits do for so many in our community.*

*Each non-profit must supply its own table and chair(s). The tables must be attended throughout InfoZone hours.*

*Non-profits may not sell food, but may sell items that are directly related to their organization's operation, such as raffle tickets, mugs, etc.*

Also, for you volunteer pumpkin-growers , could you please contact Bill Clark at: [bill@damariscottapumpkinfest.com](mailto:bill@damariscottapumpkinfest.com) with a status update on your pumpkin's growth?

Thank you so much.  
See you in October !
